1: Staden--147 (1553-54) 1928 Tupinamba
116, 241, 422

"Each couple has a particular plantation of roots which supplies both man and wife with food."

2: Thevet--259
116, 422, 293

(1555) 1878

Tupinamba

They use wax to fasten their plumes and feathers around the head, or to seal bamboo tubes in which they keep their feathers, which are their greatest treasures.
